

ProAssign ACT™ Impact Coaching

Executive & Team Coaching

Organisations are facing complexity and change at a fast rate. Those that want to get the best out of their people are looking to new and innovative ways to improve performance within existing resources, at the same time as adding value to the services that they offer.

Whether working at board level, with executives preparing for potential future roles or with teams, offering executive coaching is a strong signal that you value your talented employees

ProAssign ACT™ Impact Coaching is a unique coaching programme that focusses on creating lasting change using psychological & behavioural techniques and helping individuals, teams and organisations to be more effective in developing sustainable performance and a more certain future.

Our coaches are highly skilled at working with both the individual's needs and the needs of the organisation and have an in-depth experience of consulting, training and facilitation with leading private and public organisations across a variety of sectors, cultures and countries.
